Weekly Information Sheet 05 (Term 4) - 2020

16 November 2020

Dear Parents and Guardians,

As mentioned before, quite a few of our staff members are going through tough times at the moment. It is not always easy to understand why things are happening, or why it is not happening the way we would have liked it to happen, or at the pace we wanted it to be resolved.

Trusting God to take care of our loved ones or our situation can be very scary. We have been disappointed by people so many times, that we often translate that hurt, insecurity and fear into our relationship with God. I also get tired or anxious sometimes, but God has been such a constant and stable foundation in my life, that I can list countless times where He literally surprised me at how things worked out so much better and more perfect than what I could have ever tried to 'orchestrate' on my own.

People do let you down sometimes, or hurt you unexpectedly, but God is different. Trust Him with your situation, and you will be pleasantly surprised at how things will start falling into place – maybe not the way you envisaged it, but even more perfectly than your own plan.

The 2020 Art and Poetry Competition, a collaborative Inclusive Arts Collective/The Chaeli Campaign/Chaeli Foundation USA Initiative, has been successfully concluded. The theme for this year was Freedom. **Paballo Gaobuse** was the winner in the Photography category, and Boitumelo Matingwe received a Merit certificate in the Grade 7-9 category. Congratulations to both of you!

Tsepang Mosala Grade 11SN was awarded 2nd position in the 2020 National Business Studies Olympiad. Well done, Tsepang!

The bags are durable, water-resistant, have hard-wearing zips and heavy-duty stitching, and the manufacturer offers a 2-year warranty.

Observing **Remembrance Day** is a very special tradition each year. Herewith the link to the recording of this year's ceremony: <https://youtu.be/-WN0zvF0zoY>

The **Grade PR and R End-of-Year Ceremonies** will take place on Wednesday, 18 November 2020. These will be presented online, via Zoom. The links will be sent out closer to the time.

Please be reminded that **stationery and textbook orders** close on Tuesday, 17 November 2020. No orders will be accepted after this date. Orders placed now, may already result in late delivery. SCHOOL OF THE ARTS JAZZ EVENING INVITATION

The South African National Blood Service needs your help to boost dwindling blood stocks. To ensure that they make the most of the planned collection drives, the SANBS is calling eligible donors to help reach the daily collection target of **at least 4000 units** of blood.

We are also asking leaders at companies, churches, universities and schools to also allow the blood service to better reach it's donors by making venues available. If you can host a blood drive, visit sanbs.org.za to [book a blood drive](#) and to see how else you can get involved.

Blood stocks have dropped to critically low levels. The immediate impact is an inability to issue blood in emergencies and the possible loss of lives. We need healthy donors to give blood now. It will take all of us to keep South Africa's lifeblood flowing.
