## **1. INTRODUCTION**

This document has been drafted in the interest of all involved in St Patrick's CBC (hereafter referred to as 'the School' or 'School'). The basis of the document is to provide a secure environment wherein which all may thrive and reach their full potential.

It is imperative that all concerned adhere to this document to ensure that the culture of teaching and learning is maintained at St Patrick's CBC.

St Patrick's CBC reserves the right to take disciplinary action against any member of the school community (teachers, parents and pupils) who does not abide by this Code of Conduct.

## **2. SCHOOL POLICIES**

- 2.1 All the School policies, for example the policy on substance abuse, must be read as if incorporated in this Code of Conduct.
- 2.2 It will be incumbent upon all pupils and their parents or guardians to acquaint themselves fully with all the School's policies.
- 2.3 Copies of all School policies can be obtained from the School.

## **3. REVISION OF CODE OF CONDUCT**

St Patrick's CBC reserves the right to revise the Code of Conduct from time to time. Signatories will be advised of any such changes which will come into effect 3 (three) weeks after notification. Copies of the revised Code of Conduct will be available on request from the School.

## **4. RIGHTS AND RESPONSIBILITIES**

In the School's context, teachers, parents and pupils have responsibilities. To sustain a healthy learning environment, the parties in the education relationship need to acknowledge their respective responsibilities.

Given the available resources, parents can expect only the best possible education whilst at the same time accepting responsibility to help the school achieve the goal of holistic education. It is the parents' responsibility to support the child and teacher in the learning process. The teacher needs to be treated with the same respect that the parents expect from the School.

Every pupil at St Patrick's CBC has a right to education but must recognise their responsibility to their parents, the school, teachers, their fellow-pupils and themselves. An environment of mutual respect, tolerance and acceptance of others irrespective of culture, race, creed or gender conducive to learning is therefore promoted.

Should the expected norms and standards of behaviour of St Patrick's CBC pupils not be met, corrective action will be taken by the school. This Code of Conduct applies whenever a pupil may be associated with St Patrick's CBC. Pupils are expected, whether it be during normal school hours and on the school's premises or outside of normal school hours and off the school's premises, to behave, act and dress in such a way that it will bring credit to themselves, the school and the wider community.

Teachers at St Patrick's CBC have the right to insist on respectful behaviour by St Patrick's CBC pupils. It is the responsibility of the teacher to ensure that there is orderly behaviour in the classroom, which is conducive to learning by all.

## **5. GENERAL CONDUCT**

In the light of the above, pupils at St Patrick's CBC are expected to:

- 5.1 Behave responsibly and not endanger the safety and welfare of themselves and others;
- 5.2 Respect and care for the property of the school, themselves and others;
- 5.3 Maintain sound relations with others at school; be courteous and respect the dignity and self-worth of others;
- 5.4 Be punctual and observe the timekeeping practices of the school;
- 5.5 Demonstrate a positive attitude towards the opportunity to learn, and be diligent in their efforts to learn;
- 5.6 Behave honestly and conduct themselves with integrity;

- 5.7 Accept the authority of teachers and the Prefects as delegated by the Executive Head;
- 5.8 Accept legitimate punishment and disciplinary action taken against them.

It is impossible to list every possible infringement of this Code. The procedures below will outline the broad principles for the implementation of fair discipline at St Patrick's CBC.

Pupils need to be aware that being in the company of those contravening the Code may make themselves guilty by association. They are encouraged to avoid situations, which could be to their detriment.

## **6. UNIFORM**

### **6.1 Accommodation of religious or cultural rights**

Religious practices, conduct or obligations that relate to the core values and beliefs of a recognised religion and that are in conflict with any rule contained in this Code of Conduct may be accommodated by a deviation from this Code of Conduct by the Board of Governors.

- 6.1.1 The pupil, assisted by the parent, must apply for a deviation from the standard school rules if such rules are in conflict with or infringe on any religious right of the pupil.
- 6.1.2 This application must be in writing and must identify the specific rule/s that is/are offensive to the pupil's religious rights as contained in the Constitution of the Republic of South Africa.
- 6.1.3 This application must include a reasonable interpretation of the religious rights that the pupil feels are offensive and a suggestion on how the rules may be supplemented by the Board of Governors to accommodate such religious rights.
- 6.1.4 The pupil must provide proof that she/he belongs to that specific religion and that the religious practices, rules and obligations that are in conflict with the school's Code of Conduct are his/her true beliefs and commitments.
- 6.1.5 The religious conduct or practice must be lawful.
- 6.1.6 The Board of Governors must consider the application and, if it is satisfied that the application is justified in terms of Constitutional principles, the application will be granted in writing within 14 days.
- 6.1.7 When the School Board allows for deviations from the standard rules, such deviations must be based on core religious beliefs inherent to the religion, and it must be compulsory for the pupil to comply with such beliefs.
- 6.1.8 The deviation must specify the exemption from the normal rules and must clearly identify the conduct that will be allowed – e.g. the wearing of a head scarf, including colours and details of design; the growing of facial hair; or the wearing of a specific hairstyle or jewellery – and the conditions under which such deviation will be applicable to the pupil.
- 6.1.9 Cultural rights that do not relate to a religion will be considered, if such cultural rights manifest in conduct of a permanent nature that is compulsory for the cultural group. This refers to cases where the removal of cultural jewellery or mark will cause considerable pain to the pupil. Normally, cultural rights are exercised through marks and expressions of a temporary nature that are justified for a specific cultural gathering. The pupil must convince the Board of Governors that his/her cultural rights can be exercised only through a permanent intervention.
- 6.1.10 Any request for a deviation from the Code of Conduct based on cultural rights must be in writing and must be based on a process similar to that contained in subparagraphs 1 to 8 above.

9.1 **Level 1 and 2** infringements which result in informal disciplinary measures will be recorded as far as is reasonably possible on the pupil's file and parents may be informed.

9.2 The following procedure will apply where infringements require formal discipline measures, i.e. **Level 3** infringements.

9.2.1 In order to gather information and decide upon the specific disciplinary steps to be taken, the alleged misconduct will be investigated by the Deputy Head or Head of the High School upon receiving notice of such alleged misconduct. This informal investigation, which will last no longer than three school days, may include an opportunity, if appropriate, for the pupil to 'state his/her case' in response to the complaint. At this stage, before the validity and details of the alleged misconduct have been established, the School will not necessarily advise the parents/guardians of such an investigation. If there has been misconduct which requires further steps to be taken, the parents will be informed. It is imperative that there be accurate documentation.

9.2.2. Depending upon the seriousness of the alleged misconduct the Executive Head may decide to **suspend** the pupil pending a full investigation. An Internal Disciplinary Hearing or a Disciplinary Hearing of the sub-committee of the Board of Governors will follow such a suspension unless, following the investigation, the infringement is proven not to be of the nature as initially alleged.

### 9.3 Suspension:

- The parents will be phoned for a meeting at which the situation will be explained to them and the pupil.
- Parents will be advised to remove their son/daughter from the School premises immediately. The pupil may only return upon being informed.
- Such a suspension may not last longer than five school days unless the misconduct proves to be of such a serious nature that there will be a Disciplinary Hearing of the sub-committee of the Board of Governors and the possibility of expulsion.

9.3.1. Should, following the investigation, the infringement be confirmed but not regarded to be of such a nature that the suspension continues or the pupil face a Disciplinary Hearing, then -

- A meeting will be convened with the pupil, parents/ guardians, Deputy Head and Head of the High School where the corrective measures will be explained.
- The pupil may return to School.
- Disciplinary measures to be taken, following the infringement of the Code, will be communicated.

## 10. DISCIPLINARY HEARINGS

10.1 The Executive Head, or his/her authorised representative, shall at his/her sole discretion be entitled to call for and convene a Disciplinary Committee in circumstances where he/she deems it necessary to conduct a disciplinary hearing.

10.2 This Disciplinary Committee may consist of three members: the Executive Head or his/her authorised representative (as Chairperson), and teacher/s of the School. In addition, one member of the pupil prefect executive may be present, but only as an observer. The Executive Head or his/her authorised representative's (as Chairperson) decision will be final.

10.3 No legal representative is permitted but the pupil may nominate his/her parent as a representative/intermediary.

- 11.2 The review may be requested by the pupil's/pupils' representative.
- 11.3 The review must be lodged within 5 (five) days of the Disciplinary Committee's finding regarding the penalty.
- 11.4 The review application must contain all the grounds on which the application is based.
- 11.5 All reviews will be conducted by the Executive Head; but in instances where the disciplinary hearing was conducted by the Executive Head, the review will be done by the Chairperson of the Board of Governors or his/her authorised representative.
- 11.6 For the purpose of the review the Executive Head or the Chairperson of the Board of Governors or authorised representative will be furnished with the record of the hearing and any documentation handed in during the course of the hearing.

The device will be placed in an envelope and returned to the pupil at the end of the following day upon payment of a R100 fine. If however, the cell phone/ electronic device is used without permission again, it may only be collected from the Bursar, in person, on the last day of term. No exceptions will be entertained.
- 12.1.5 Should, however, the use of an electronic device be part of the teacher's lesson the pupil is expected to abide by the ground rules laid down by the teacher.

### 12.2 Academic behaviours:

- 12.2.1 **Plagiarism:** Teachers need to assess the work of pupils to determine their understanding and progress being made. With technological advancement it is possible for a pupil to download information from the internet and submit such as his/ her own effort. This will constitute plagiarism. Plagiarised work can be in typed or written form or even presented as an oral piece.  
Should a pupil commit plagiarism, zero will be awarded for the work. Depending upon the timeframe the pupil may be given the opportunity to submit another task – their own work – but marks will be deducted for the initial plagiarism.
- 12.2.2 **Copying another pupil's work: Both the pupil who copied as well as the pupil who** offered their work to be copied will receive zero. Depending upon the timeframe the pupils may be given the opportunity to submit another task – their own work – but marks will be deducted for the initial copying.
- 12.2.3 **Dishonesty in tests/ exams:**  
When an invigilator is satisfied that a candidate has shown sufficient cause to be disqualified, the following procedure is to be adopted:
  - 12.2.3.1 Confiscate incriminating material, if any.
  - 12.2.3.2 Remove the answer book(s) used up to that point from the candidate and write the following on the outside cover: 'Confiscated at ... (time)'
  - 12.2.3.3 The answer book of any other candidate from whom assistance has been obtained should not be removed unless that candidate also shows sufficient cause to warrant disqualification.
  - 12.2.3.4 Inform the candidate that the incident will be reported to the Head of the High School.

- 12.2.3.5 Supply the candidate with another answer book, marked by the Chief Invigilator on the outside cover: 'This book supplied at ... (time)'.
- 12.2.3.6 Report the matter in writing immediately to the Head of the High School together with the incriminating material.
- 12.2.3.7 Expulsion from the sitting may take place only if the candidate persists in malpractice, but such expulsion shall not prevent the candidate from attending further sittings.
- 12.2.3.8 If evidence of copying is found then the pupil will receive zero for all work done up to the time that s/he was seen to be dishonest.
- 12.2.3.9 Disciplinary process will be followed and it may result in a Disciplinary Hearing
- 12.2.4 **Not submitting work for assessment on the due date:**
  - 12.2.4.1 Refer to High School Assessment Policy.

**12.2.5 Not writing a test/ exam:**

Should a pupil not be present to write a scheduled test or exam, zero will be awarded if a doctor's certificate is not presented to the Deputy Head upon return to school. If a doctor's certificate is presented the teacher may schedule another date for the test/ exam, which was missed to be written. A pupil who has missed the exam will not be considered for the Top 5 of that specific term.

**13. THE SCHOOL'S RIGHT TO ACT**

St Patrick's CBC retains the right to act in applicable situations according to the Regulations Relating to Safety Measures at Independent Schools as published in the Government Gazette No: 26663 on 20 August 2004. These regulations deal *inter alia* with, violence, drugs, and trespassing on School premises.
