Good day, St Patrick's CBC family

**Online learning**, here we go!

Many of you have already indicated that you are set and ready for this new challenge, but I do realise that some of you are not quite there yet. We want your child to reap the rewards of this online initiative.

For this week, Wednesday to Friday, we have a team of **Admin Support** staff who will be on duty remotely from 07h15 until 17h00 daily to assist with your queries. The phone lines have been diverted and you can call the office telephone line (053 831 1558/9) during the above-mentioned hours. When you call, you will be presented with various extension options i.e. online support, finance, pupil support, etc., which will direct you to the relevant support staff member who will assist you with your queries.

However, for any **academic questions**, please continue to email the relevant staff member. For your convenience, please find the email address for all Grade -, Phase - and Department Heads below:

This is also new territory for us. Let us all remain positive, encouraging, and supportive. If you experience challenges, and you feel that we could possibly assist in any way, you are most welcome to contact me.

Remember, this can only work if we work together as a team, and if everyone plays their part. We are in this together, and we will get through this together.

Yours sincerely
