Dear Parents/Guardians

## COVID-19 INCIDENT

We regret to inform you that Mrs Moagi has tested positive for COVID-19.

After consultation with the Department of Health, the following steps will be taken:

1. All Senior Primary (Grades 4-7) staff and pupils should remain in quarantine for the coming week (24-28 August 2020). Pupils may return to school on Monday, 31 August 2020.
2. This arrangement does not affect the rest of the school.
3. All preventative measures and sanitization processes have been carefully adhered to, but as a further precautionary measure, the relevant facilities will be disinfected by an external service provider.

Please be vigilant and be on the lookout for any COVID-19 symptoms. The most common signs of COVID-19 are a fever, cough, and trouble breathing. Some people might also have:

- symptoms of a cold such as a sore throat, congestion, or a runny nose
- chills
- muscle pain
- headache
- a loss of taste or smell
- nausea or vomiting
- diarrhoea
- tiredness

Your continuous support and co-operation in this regard will be highly appreciated. We apologise for any inconvenience caused.

Our thoughts and prayers are with Mrs Moagi and her family. To all of our CBC family members affected by this virus in some or other way, please know that you are not alone. You are welcome to contact me (0828787004 or [jtredoux@stpatricks.co.za](mailto:jtredoux@stpatricks.co.za)) or the Support Department ([mzwiegers@stpatricks.co.za](mailto:mzwiegers@stpatricks.co.za)) at any time.

We are in this together, and we will get through this together.

Yours sincerely

**Jacques Tredoux**
