10 August 2020

Dear Parent/Guardian

## COVID-19 INCIDENT

As per tonight's meeting, we are sad to inform you that two more of our family members have tested positive for COVID-19.

A Grade 1RT pupil went for a test yesterday (Sunday, 9 August 2020) and received the results today (Monday, 10 August 2020).

After consultation with the Department of Health, the following steps are being taken:

1. Grade 1RT staff, pupils, as well as siblings of Grade 1RT pupils, will remain in quarantine for the coming week, and may return to school on Monday, 17 August 2020.
2. The rest of the Grade 1 classes are not affected by this arrangement.
3. In the meantime, we will continue to screen all individuals entering our school campus, and are also monitoring all school family members for symptoms.

A Grade 6 pupil has also tested positive over the weekend, but has not been at school since March 2020, so Grade 6 pupils and staff are not affected at all.

Please keep these two pupils and their families in your prayers.

To all of our CBC family members affected by this virus in some or other way, may the care and love of those around you provide you with the courage to get through this challenging time.

We are in this together, and we will get through this together.

Yours sincerely
