Guess Who ???

I was born right here in Kimberley and attended school at Northern Cape High. I was a crazy Disney Channel fan and would always watch loads of Hannah Montana while growing up. If I could have one superpower, it would definitely be teleportation! Even though I was born in Generation Z, I would love to have been a 90s baby. I love playing hockey, golf, and a bit of 8 Ball Pool in between academic days. I absolutely LOVE spiders and I would keep one as a pet if I could. The biggest risk I have ever taken, was when I applied to become a flight attendant for Emirates, low and behold, I got accepted and went as far as the final top 5, but unfortunately, I had to decline because I had not

completed my studies at the time. Click on this block to submit your guess of who you think I am? Well done to last week's winner who correctly guessed Mr Makiwa first. Surprisingly, it was not Mr Hloma ;)

MADDFest is around the corner

We are delighted to be hosting our Annual MADDFest again this year. The syllabus can be viewed by clicking on the music notes on the right. Entries will all be done electronically this year, so be sure to read next week's WIS for all the details

It is going to be a Jolly Lolly Day!

As part of their annual fundraising, our Grade 7's will be celebrating Jolly Lolly Day on Friday, 05 May 2023. Buy your pass, which will include 5 lollipops, to get permission to suck the lollies at any time during the academic day and wear civvies!

It is getting a bit cold outside

A reminder that, Winter uniform will become compulsory on 02 May 2023. Click on the figurine on the right for a guide on the required uniform items per season.
