## Guess Who ??

I was born in the Eastern Cape. Growing up, my favourite TV show was Dexter's Laboratory and I wanted to be a lawyer. If I had any superpower, I would love to be able to teleport! My favourite quote is one by Sir Isaac Newton: "If I have seen further, it is by standing on the shoulders of giants". If I could choose to grow up in any generation, I would choose the one I grew up in, I would be a bit lost without technology! I don't really eat breakfast, but my favourite meal would have to be pizza for dinner. Click on this block to submit your guess of who you think I am? Well done to last week's winner who correctly guessed Ms Schae Hendricks first.
