SPORTS REPORT

Are you ready for our 126th Party?

As part of our annual Birthday celebration, we will be hosting a Mini U9-U19 Soccer and Netball Day combined with a Carnival, where each grade will be responsible for hosting a food stall and a fun activity stall on Saturday, 09 September 2023. The success of this event is dependent on your support, whether it is your time, on the day, to help at the stalls or a contribution of ingredients for the food stall or even a small cash donation towards the purchase of ingredients for the food stall. A contribution of any kind will go a long way towards determining the success of the event. If you are available to assist with either a contribution of your time, ingredients, or money towards the stalls, please log onto your KARRI App. We value your support and passion for our school a tremendous amount!
