Textbook and stationery orders for 2024 are now available. The lists for the respective grades can be obtained by clicking on the books below. A reminder that these apply to 2024, so be sure to order for the grade in which your child will be next year (and not their current grade). As a school, we facilitate an order system for those who prefer to order any of the textbook and stationery items via the school. Should you wish to order via the school, please submit a completed order form along with payment on or before 02 November 2023. No order will be processed without proof of payment or completed order forms. In order to secure stock of the items, no late orders (after 02 November) will be processed.
